

IN OLD NANSEMOND.

Notes and Gleanings From Suffolk and Surroundings.

Miss Lillie Mears, of Norfolk, who had been visiting Miss Nannie Lassiter, left for her home accompanied by the latter.

Schooner C. B. Leet, Capt. Creamer, left port yesterday for Bridgeport, Conn., with a cargo of lumber from the Gay Manufacturing Company.

Mr. W. J. Gray yesterday moved his bar and restaurant from the Gem Cafe to the place on Riddick street recently vacated by J. E. Ballard, Esq.

The Norfolk and Western pay car yesterday passed through and dispensed to employees their December salaries.

At the revival in the First Methodist Church there were about sixty converts and twenty-five re-consecrations.

Prof. P. St. J. Wilson, accompanied by his mother, who had been visiting him, left last afternoon for the latter's home in Richmond.

The soup house for the poor has been discontinued, the management claiming that those for whom the refreshment was intended would not call for it. It was well patronized by tramps.

Officer Taylor, of Norfolk, has recovered the gun and a pair of boots stolen from the store of W. J. Northington on February 19th. The alleged thief, Alexander Dawson, will have a preliminary hearing tomorrow in the Mayor's Court.

CALB SKRETER BURIED.—The remains of Mr. Caleb Skreter, who lived about three miles from Suffolk, were yesterday interred in the family burying ground. The deceased was about 75 years old and had been feeble for several years.

DEPARTING SERVICES.—Evangelist Lee left Suffolk Friday night on the 10:40 train for Petersburg. Numerous members of his congregation attended him to the depot where valedictory services were conducted while waiting the train's arrival. As the train pulled off "God Be With You, etc." was sung. Mr. Lee will hold evangelistic services in Danville this week.

DEED RECORDED.—N. S. Buck to H. L. Jacobs and N. S. Buck, composing the Nansemond River Brick and Tile Company, 21 acres of land in Chatham County, consideration, \$212.50.

CASH DRAWERS ROBBED.—The store of J. J. Bogett & Co., located near the Virginia Manufacturing Company's plant, was entered at a late hour Friday night by burglars and the cash drawers robbed. The amount taken is not accurately known. The entrance was made by forcing the front doors. There is no clue.

CAR BURGLARS' TRIAL.—Only standing room was obtainable in Mayor's Court yesterday, the occasion being the preliminary hearing of the evidence against William Lewis, John Daniels and Ransome Easter, charged with complicity in the robbery of loaded cars lying on the Seaboard Air Line siding in Suffolk.

After some delay the warrant against Easter was read, Mr. Merritt Briggs appearing as counsel. He was alleged to have assisted in the concealment of the stolen property by transferring them to Lewis' store. The defense acknowledged the hauling of the goods, but denied the allegation that it was done with a knowledge of their being stolen. Dismissed.

The case against John Daniels was also dismissed, it not being proven that he was an accessory to the crime. William Lewis, the promoter and principal executor of the robberies was called and the warrants were read. He made an unqualified confession of guilt to the charges with the exception of a few details in the articles, which errors were corrected at his dictation. He was sent on for indictment.

Small Beginnings.
Make great endings sometimes. Aliments that we are apt to consider trivial often grow, through neglect, into atrocious maladies, dangerous in themselves and productive of others. It is the disregard of the earlier indications of ill health which leads to the establishment of all sorts of maladies on a chronic basis. Moreover, there are certain chronic disorders incident to the season, such as malaria and rheumatism against which it is always desirable to fortify the system after exposure to the conditions which produce them. Cold, damp and malarial are sure, counteracted by Hostetter's Stomach Bitters. After you have incurred risk from these influences, a single bottle of Hostetter's Stomach Bitters directly restores you to health. For malaria, dyspepsia, liver complaint, kidney and bladder trouble, nervousness and debility it is the most decidedly popular of remedies and prevents a whole host of ailments before they become serious.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well-known druggist of Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says. "And have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by all druggists.

A LIFE SAVED.

What it Means to Be a Suffolker—Hardship and Injury His Chief Reward.

From the Woonsocket, R. I., Reporter.
One midwinter night, in a blinding snow storm, Capt. Arthur L. Nickerson, in command of the gallant little steamer Allen Green, ran out from Vineyard Sound before the northeast gale and made for the open sea. The storm was at its height when the wind shifted so suddenly that the shipper rolled and his situation his ears caught the sound of the breakers booming on Point Judith's treacherous shore.

Fifteen minutes after the Allen Green struck, Capt. Herbert M. Knowles' crew of hardy life savers had begun the work of rescue. Capt. Nickerson, when brought ashore, was in a pitiable condition. As he later stated in his official report of the disaster, the Government report made to Superintendent Kimball of the Life-Saving Service, "I suffered much from cramps and pains caused by the bris a I received before I went ashore, having been at the point fifteen hours continuously."

The life savers wrapped the brave young sailor in warm blankets and gave him pain-killing freely. The famous old remedy accomplished an immediate relief, and Capt. Nickerson awoke next morning in a condition to face another term of duty. He feels that the prompt use of Chamberlain's Life-Saver relieved him from untold suffering and even saved his life. Brave Capt. Nickerson is now assistant superintendent of the life-saving district. He says the life savers all use Chamberlain's Life-Saver. It is the best and most reliable remedy for all emergencies encountered in daily life.

Capt. Asa Church, of Point Judith station, Albert Church, of Narragansett Pier, David at Watch Hill, Summers at Connetquot, and their crews, enforce Capt. Knowles' law. The use of Chamberlain's Life-Saver is compulsory for all emergencies encountered in daily life.
